

17 July 1969

MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Weekly Report of the Office of Training

1. Fellowships in Congressional Operations

The Civil Service Commission has advised that [REDACTED] OSP, 25X1A9a has been accepted for the 1969-70 Fellowship in Congressional Operations. [REDACTED] OCI, was selected as the only alternate for the program. Since the program does not start until mid-November, there is at least a 50-50 chance that someone will drop out during the next four months and [REDACTED] will move up as a principal.

2. Reading Improvement Course

The initial phase of the Reading Improvement Course has ended after some seven runnings. Tentative plans are to offer the course again in September. In the meantime, the Psychological Services Staff (OMS) is developing techniques for producing some useful quantitative measure of the utility of the course. Realistically, we can't expect full results from this study in time to guide changes in the format of the September courses; we do expect however within a reasonable period of time to use the results of this study to justify the course. If we continue, we will tailor it to meet Agency needs more closely.
